

BASIC SWAT 60 HOURS

SUBJECT:	BASIC SWAT
DATES:	TBD
LOCATION:	NACOGDOCHES, TEXAS
INSTRUCTORS:	BILL KENNEDY / NICK STEWART

CSAT is proud to host a 60 Hour Basic Swat Class. Over the last eight years Paul Howe/CSAT has been training law enforcement agencies across the United States. A comprehensive list of units/departments that Paul has trained can be found at www.combatshootingandtactics.com

My intent is to provide a tough and comprehensive tactical training week with no harassment. Teams will eat, live and train with their team for the duration of the class. Students will be treated like professionals and will be required to act accordingly. Students will be counseled in writing on negative behavior and the staff reserves the right to release a student from the course for Major Safety Violations or a Disruptive or Unprofessional attitude.

This class will prepare the new SWAT officer to seamlessly integrate into their tactical unit. Major topics to be covered:

- A stair-stepped shooting program that covers all the basic skills needed for surgical shooting, both rifle and pistol.
- Team Organization
