IN GENERAL:

It has been an extremely busy month. I conducted two back-to-back classes in the North Chicago area. The weather was great and the students were exceptional. My first class was a Tactical Pistol Instructor followed by a Tactical Rifle Instructor.

TRAINING:

GENERAL

Eric passed the Texas Concealed Carry Instructor class this past month and we will be offering monthly concealed carry classes shortly at the lodge and range for both new students and renewals. He is awaiting the paperwork at this time.

SEMINARS

I did a compressed seminar for several hundred Chicago Police Officers while I was in the area conducting a Tactical Rifle Instructor Course. They are doing great things and changing the institution as we speak.

PAPERLESS CLASSES

Shortly I will be going "paperless" with student handouts and simply give each student a copy of the class material on disk. If you have an opinion on this, please let me know. I would still give out critical handouts in a paper format.

COURSE UPDATE(S):

None Noted...

COURSE AAR'S

CSAT ran several classes this month and the results were immediate. A couple lawmen up North took out a bad guy carrying a rifle on an operation using CSAT tactics and techniques. Good shooting guys....

South Africa

Our South Africa project is on course and we have and advanced that just returned home. Within a couple of weeks we should have another information letter out to those who signed up for this project on our web page.

RANGE UPDATE:

Eric has been busy while I was gone keeping the property up and getting the well back in order in the primary new house. Things are looking good.

CLASSROOM/ LODGE:

Not much to report here.....

EQUIPMENT:

LE Targets will be producing a new CSAT target that I developed for Urban Marksman (Sniper) and are available now. The target product code is PHT-ST. I have been using them for surgical drills in rifle, pistol and sniper classes.

The PRO SHOP is up and running on the web site. We linked our site to that of Designs Plus and you can now order direct and they will ship your items to you.

HUNTING UPDATE:

No worthwhile pictures.

READING/MISC. INFORMATION

None this month.

CLASS PAYMENTS

In the future I may request payment in full by either check or Credit Card for classes as I am doing double accounting when I take deposits. It will save time and effort by going to this system and will find out who is serious and who is not.

IN CLOSING

We look forward to seeing you all soon.

Paul R. Howe
