GENERAL INFORMATION:

Thanks to all of you who sent e-mails, texts and cards for Christmas. They are greatly appreciated. 2010 was a busy, but good year. I am trying to manage my schedule to be more efficient in my work load while doing a majority of my work at home. If there are classes you would like to see on my schedule that are not there, LE or Civilian, e-mail me with a suggestion.

I took two weeks off at Christmas to clean up from last year and prepare for next year to include remodeling my office. I have a full schedule in January and will be teaching three weeks back-to-back at my facility in Nacogdoches.

The progress of the **Shooting Videos** is close to being finished. You can see a trailer at:

LE CORNER:

For the LE folks reading this letter, **NTOA** has put together a five-day Tactical Team Leader course which appears to be classroom only. I was taught long ago that homework must accompanied by fieldwork. If the interest is there, I can put a five-day 40 hour Tactical Team Leader course together with physical, field and hands-on requirements at about the same price and include lodging. Currently my class is three-days.

Finally, I have had students shoot M1A's, FN .308's, etc., in my rifle class and they enjoyed the challenge. Bring what you have or what you like and have a good time.

RANGE UPDATE:

The sniper ranges will continue to be out to 600 this year and I will wait until next year to see if we can push them out a bit further. I will be researching purchasing pine trees over the next couple of weeks to prepare for planting in the bottom. The pines up top have shot up with every rain. They are looking good.

Should an agency or group wish to rent the facility, feel free to contact us for rates. This includes the ranges, new property, classroom and bunkhouse.

CLASS PAYMENTS

You will have a slot in the course when I receive payment for the class. In the case of an agency, when they officially request an invoice. I have had too many individuals not show up lately and I intend to put a stop to it.

I would prefer you send a check as the credit card costs for processing are substantial.

IN CLOSING

Thanks and we look forward to seeing you all soon.
