GENERAL INFORMATION:

Why did so many die in the Colorado movie theater slaughter?

Because no one shot back...

Americans insulate themselves in this mindset of “it will never happen to me” and when it does, they lose. Sorry to say, until the end of time, we will need those willing to pick up the sword and protect themselves, their family and others so evil does not prevail. We need those who see the world as it really is and understand there are things worth fighting and dying for.

Lessons Learned:

When going to the movies, carry a gun, spare ammo and a flashlight and know how to use these tools.

If the theater does not allow legally concealed weapons, do not spend your money there. Theaters should be sued for disarming Americans in cases like Aurora where they deny legal concealed carry. They should shoulder the burden of safety and need to be sued without remorse....

If attacked, move offline of your family and engage the shooter. That means if he shoots back at you, the bullets missing you do not hit your loved ones.

The media will get their month of traction out of this tragedy while showing countless pictures of the victims. Laying on top of your significant other only allows the shooter to kill two for the price of one. This technique is okay if you wish to simply give up and die. Otherwise, you may want to learn to defend yourself and your family.

In cases where someone, anyone fights back in an active shooter rampage, lives are saved. The problem is that we have wussified our kids and a generation who believe it is okay to lay there and be executed versus fighting back. We have taught our kids that it bad to fight back or stand up for your rights or for another's rights or safety. This is crap. Many times all a bully needs is a good ass-whipping to change their life for the better.

TWO SIMILAR STORIES

On July 18 2012 Florida A 71-year-old man with a concealed carry license made a dramatic stand against two would-be robbers in an internet cafe in Florida....No single innocent person was hurt or killed.

On July 20 2012 in Colorado A gunman opens fire inside of a movie theater killing 12 innocent people including children...No one was carrying a Concealed Gun for protection.

MONTHLY PERSPECTIVE:

If I could sum up his presidency in one picture, this would be it....

Americans are so enamored of
equality that they would rather
be equal in slavery than
unequal in freedom.

TRAINING:

RANGE UPDATE:

I am cutting the 110 N. property line and will start doing some work on the 110 ranges shortly.

CLASSROOM/ LODGE:

New weapons policy in effect...

No further lodging unless specifically noted on the flyer. Those who have already signed up for the lodge will be allowed to stay there.

EQUIPMENT:

I have been asked to put on my web site what I keep in my med kit. Here is a basic list....

-2 SOFT-T Tourniquets (Tac Med Solutions)

-Zip lock bag with: Kerlix, Co-Flex (NL-Non Latex), QuikClot Combat Gauze, Rubber Gloves (Wound Kits)

-Medical Scissors

This is a basic package I use to stop bleeding. I layer it to get to my big blood stopper first, tourniquets and Combat Gauze. I use the Kerlix to pack and then Co-Flex NL to wrap and secure the wounds. I knot the ends and put all in a zip lock bag so I can find the tail rapidly, day or night. Finally, put surgical gloves on top for patients you do not know.

The med Scissors are for cutting clothes and bandages as knives tend to stab, jab and cut the patients...

DVD's, Leadership and Training For the Fight/The Tactical Trainer

TACTICAL DRILL, COMBAT MINDSET AND BLACK HAWK DOWN DVD'S ARE IN THE WORKS....

If you are coming to either my Tactical Rifle or Pistol Instructor course, I would recommend buying the Operator level DVD's, review it and start to shoot the drills and standards. The learning curve for the class will not be so steep.

The book out and available from www.amazon.com It also contains the “**The Tactical Trainer.**”

The original “**Leadership and Training for the Fight**” will be available exclusively through www.authorshouse.com for those wishing to purchase it.

Finally, Skyhorse notified me that they have downloaded “Leadership and Training for the Fight” to the e-book format.

CLASS PAYMENTS

You will have a slot in the course when I receive payment for the class. In the case of an agency, when they officially request an invoice. I have had too many individuals not show up lately and I intend to put a stop to it.

I would prefer you send a check as the credit card costs for processing are substantial.

IN CLOSING

Thanks and we look forward to seeing you all soon.
