INFORMATION LETTER/UPDATE:

MAJOR CALENDAR CHANGES:

Added: Law Enforcement

SEE NEW CALENDAR

Added: Civilian

SEE NEW CALENDAR

GENERAL INFORMATION:

We ran an Urban Marksman course this month along with a Basic SWAT. The Basic SWAT was the first where cadre taught the course. I was able to shoot with the guys and watch various modules. I heard nothing but positive feedback.

Good job guys.

LE CORNER:

Special Combined Tactical Pistol/Rifle Instructor Course

I have been requested to teach a combined Tactical Pistol/Rifle Instructor Course in one. I can do it if the student adequately prepares. This course will be for the experienced LE Instructor who has a solid shooting/instructor base in both rifle and pistol skills along with running a line. I have added this course to the calendar for **2-7 September**. The cost will be \$1,200 for both courses.

I understand that training budgets are tight and those who have already signed up are planning to pay out of pocket. This will be a 50 hour course. I highly recommend that you purchase my DVD's and practice my standards for a few months prior to attending. Let me know if you have any questions.

MONTHLY PERSPECTIVE:

Wow, the media really scrambling for an easy pointless story. Yep, a couple of guys screws up, maybe. On his off time and if he was single, and it was legal in the country, what rules did he break? Show me the moral code of conduct.

Let me see now, former President Clinton was caught screwing around in the White House and lied about it to the American people. He kept his job.

President Obama was never in danger and now the details have “chaperones.” Give me a break. Hillary was down there whooping it up, guzzling long necks and showing her human side and there was no problem with this. Where is all this moral judgment coming from?

I have a problem with the Secret Service Agent “stiffing” (pun intended) the gal if she quoted a price and did not pay. Same goes for the hotel fees for two people to a room.

As for per diem, so what if he used it to drink and frolic. Folks eat cheap all the time and then pocket the difference, especially overseas where the per diem is so high. An old saying is that “If you drink you cannot eat, if you eat, you cannot drink.”

What about the GSA scandal. My God, what a mess that is. Seems like that story has died down. Makes you wonder how much of the government is out of control.

Ben Stein's New Article

According to <http://www.truthorfiction.com/rumors/b/benstein-health-plan.htm> this is a true article by Ben Stein, but that it is an opinion. Well, at least he has one and isn't afraid to voice it.

WE'VE FIGURED HIM OUT!

By Ben Stein

Why was President Barack Obama in such a hurry to get his socialized medicine bill passed? Because he and his cunning circle realize some basic truths:

The American people in their unimaginable kindness and trust voted for a pig in a poke in 2008.

(Pig in a poke means: an offering or deal that is foolishly accepted without being examined first. A poke means sack.)

They wanted so much to believe Barack Obama was somehow better and different from other ultra-leftists that they simply took him on faith.

They ignored his anti-white writings in his books.

They ignored his quiet acceptance of hysterical anti-American diatribes by his minister, Jeremiah Wright.

They ignored his refusal to explain years at a time of his life as a student.

They ignored his ultra-left record as a "community organizer," Illinois state legislator, and Senator.

The American people ignored his total zero of an academic record as a student and teacher, his complete lack of scholarship when he was being touted as a scholar.

Now, the American people are starting to wake up to the truth. Barack Obama is a super likeable super leftist, and not a fan of this country.

The American people have already awakened to the truth that the stimulus bill -- a great idea in theory -- was really an immense bribe to Democrat interest groups, and in no way helped all Americans.

The American people already know that Mr. Obama's plan to lower health costs while expanding coverage and bureaucracy is a myth, a promise of something that never was and never can be -- "a bureaucracy lowering costs in a free society." Either the costs go up or the free society goes away... an historical truth.

These are perilous times. Mrs. Hillary Clinton, our Secretary of State, has given Iran the go-ahead to have nuclear weapons, an unqualified betrayal of the nation. Now, we face a devastating loss of freedom at home in health care. It will be joined by controls on our lives to "protect us" from global warming, itself largely a fraud, if believed to be caused by man. She has also signed on to a Small Firearms Treaty at the U.N. This is a back door gun control move. This is approved by the Senate and a 2nd Amendment majority doesn't exist in the Senate now. It will supersede all U.S. Law and the 2nd Amendment. All citizen possession will be eliminated through confiscation. Just Like Great Britain and Australia .

Mr. Obama knows Americans are getting wise and will stop him if he delays at all in taking away our freedoms. There is his urgency and our opportunity. Once freedom is lost, America is lost. Wake up, beloved America .

You must, as an American, FORWARD this, or you will wake up one morning and your freedoms will be GONE...No longer there!

How about some real stories:

WWII vet and wife beaten, wife raped and killed. Probaby Travon's brother...

<http://www.youtube.com/watch?v=ePyGK2vlim0>

Muslims desecrating head stones.

Ignorant retards. Just goes to show that some countries and people are not worth saving...

And finally, a double Standard in our military and Islam.

Subject: A SGT. AND A MAJOR

How sad is this.

After reading the headlines about the US soldier who shot up Afghanistan civilians, I couldn't help noticing an irony. There is all this clamor to try this guy quickly and execute him, never mind his having suffered a traumatic brain injury. Yet this Major Hasan, who shot up Fort Hood while screaming Allahakbar, still hasn't stood trial, and they are still debating whether he was insane, even with the clear evidence regarding his motive:slay as many infidels as possible.

So we have a guy in a war zone who cracks, and he must be executed immediately. But this psychiatrist who was stateside in a nice safe office all day murders 13, wounds 29 of our own guys, and they try to argue the poor lad suffered post-traumatic stress syndrome, from listening to real soldiers who had actual battle experience. Two and a half years later, they still haven't tried the murderous bastard.

PASS THIS ON.

The original “**Leadership and Training for the Fight**” will be available exclusively through www.authorshouse.com for those wishing to purchase it.

More books stacking up...

CLASS PAYMENTS

You will have a slot in the course when I receive payment for the class. In the case of an agency, when they officially request an invoice. I have had too many individuals not show up lately and I intend to put a stop to it.

I would prefer you send a check as the credit card costs for processing are substantial.

IN CLOSING

Thanks and we look forward to seeing you all soon.
