GENERAL INFORMATION:

My realtor put the “For Sale” up for the 220 acre parcel. I have been busy preparing the 110 property with new ranges and roads to work smaller classes.

My concept/business plan is simple. Conduct smaller classes and host more training at CSAT in the future and lease what ranges I need from whoever buys the 220 track.

I am building new ranges to support 11 shooters in future classes, me being one of them. I plan on taking 5 in future instructor classes and 10 students so there will be a 1 to 2 instructor to student ratio. I will also do more 2 day classes by myself along with a three-day Home Defense.

Finally, I plan on hosting more instructors at my range, both shooting, knife and hand combat. This way I can also attend. In December I plan on opening up the right two rooms in the barracks and making a Dojo where we can go from classroom to training room in 30 seconds. This will require pushing students to hotels, but I think the gain will make the modifications worthwhile.

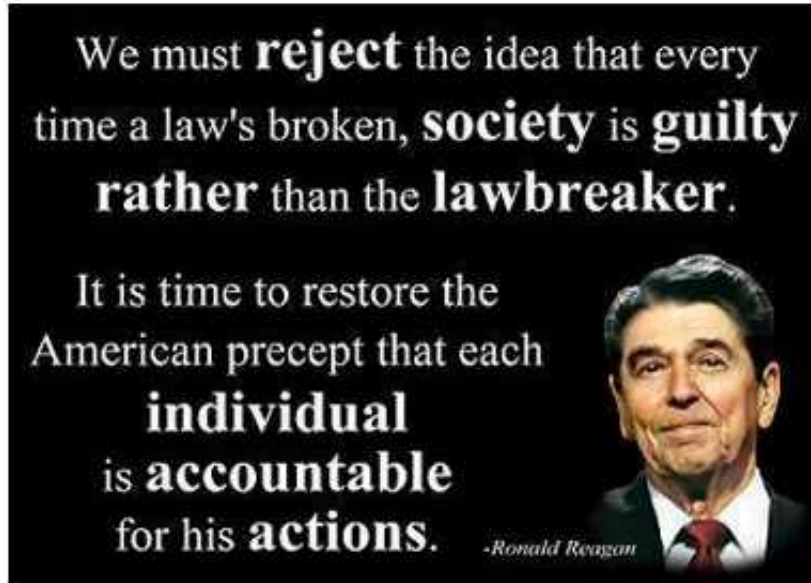

LE CORNER:

I recently hosted leadership from a State Law Enforcement organization that wanted consulting for training and organization. We spent three days, mostly in the classroom, but some on the range, reviewing my entire program from tactical drills to leadership, structure, organizational set up and admin.

In my opinion, this is the smoothest way to do business and you get the most bang for your buck in revamping your system or starting one from scratch. Bringing all the leadership to include Team Leaders allows me to work with them one on one and let them ask all the questions they want. This allows them to smoothly move forward in training and tactical operations with the most efficient proven model that I have seen.

MONTHLY INSPIRATION

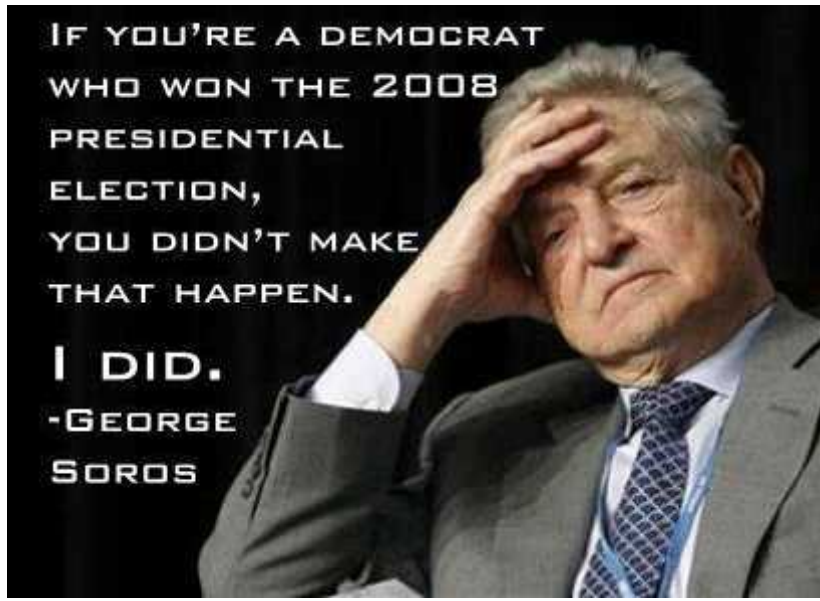

MONTHLY PERSPECTIVE:

Vice President Biden said that “they will put you back in chains,” referring to the GOP. Unfortunately it is what the democrats do to their own members. They keep them in “chains of dependency” in an attempt to gain their vote. They make them dependent on government money and now their voter base votes for more money. It is the same for Jesse Jackson and Al Sharpton. They do not wish for their voter base to evolve as they will lose money and power. This is sad.

Conservatives in my opinion want a stronger country through stronger individuals who contribute to the dream instead of taking from it.

ON A LIGHTER NOTE...

TRAINING:

No notes at this time...

RANGE UPDATE:

I have been working on the 110 ranges. Here are a few photos. Below is a new 25 yard pistol pit and there will be steel on the right side

This is a photo of the new 50 yard pistol on the right and a 100 yard rifle on the left.

This is the foot print of the new 7 room shoot house.

CLASSROOM/ LODGE:

After the Advanced SWAT in December, I have decided to open up the two bunk rooms on the right as you enter the lodge and create a Dojo in the front half of the building.

This area will accommodate 24 students in a class whether it is a hand or knife combat class. I will remove the existing carpet and put rubber mats on the floor, the ones you can buy at Tractor Supply Company

EQUIPMENT:

I have been shooting some ASYM PRECISION AMMO manufactured by Stan Chen out of Durango, Colorado. He makes most pistol and rifle calibers and all ammo tested shoots great. I want to test some the .223 Barnes X 70 grain on a hog.

CLASS PAYMENTS

You will have a slot in the course when I receive payment for the class. In the case of an agency, when they officially request an invoice. I have had too many individuals not show up lately and I intend to put a stop to it.

I would prefer you send a check as the credit card costs for processing are substantial.

IN CLOSING

Thanks and we look forward to seeing you all soon.
