INFORMATION LETTER/UPDATE:

GENERAL INFORMATION:

TACTICAL CORNER:

LE CORNER

It was brought to my attention that we have been sending out certificates with 50 hours for the Basic SWAT course and TCLEOSE requires 60. It has been entered as 60. The reason for 50 is that I was not counting lunch, nor weapon maintenance as training time. My understanding it is start to finish times. I will count one hour per day for lunch and 30 minutes per day for weapon maintenance. Your reported hours have been 60 and certificates will reflect so in the future. If you need a new certificate for your file, e-mail me with your name, month of class and where to send the certificate. Sorry about any issues it has created.

INSTRUCTOR NOTES

MONTHLY INSPIRATION

LOVE is the highest art. In ancient times you trained so hard, not for the sake of killing people, but for the love of your family: for the love of your mother, your father, your children, your tribe, and your body. It is the LOVE OF LIFE! That's why we train so hard, so you can preserve LIFE!

MONTHLY PERSPECTIVE:

George Zimmerman

<http://www.youtube.com/watch?v=Ebu6Yvzs4Ls>

The above link puts the entire Zimmerman shooting in context in about 10 minutes.

I feel for this guy and all the BS George Zimmerman has gone through.

Neighborhoods create neighborhood watch programs when they have problems. George's was no exception and he was trying to keep a neighborhood safe that had burglaries, home invasions, etc.

As for a duty to retreat, that is BS. Police and their response times vary and Americans cannot solely rely on the police for their safety. They must be prepared to protect their homes, streets and neighbors.

Trayvon was a black dope smoking wanna-be gang-banger thug. He was failed by his parents, the political Black American leadership and his own ignorant and undisciplined personal behavior. It is sad that they dug into the past of George Zimmerman, but did not talk about Trayvon's discipline problems, dope smoking and facebook pictures with handguns.

A double standard exists and the Obama administration is the most racist government I have witnessed in my lifetime. The media is much to blame. They fail to lay all the problems out on the table and call a spade a spade. If you talk to any law enforcement officer in Florida, they will quickly enlighten you as to what race causes 80-90% of the problems/crime. No one wants to hear it, especially the black leadership in our country.

As for Trayvon's parents, they raised a thug. Much of the blame is on them. Finally, Trayvon was dumbass and tried to kill a man by beating him to death. Except the man had a gun and stopped Trayvon's gene pool from spreading. He did society a favor.

As for profiling, black men are ten times more likely to kill you than whites and Hispanics combined. That is a good reason to look twice, especially if they are wearing a hoodie....

The New Slave Masters

The sad part of the racial issues dividing America is that the Democrats and Liberals have become the "Slave Masters" of the Black race. More refined and deceitful than the ones of old, they have changed tactics and become enablers of subsistence rather than self-reliance. Welfare has replaced the chains of old. Race mongers in the black community are just fleecing their flocks and one day the branch of justice will snap back on them and it will be ugly.

These so called black leaders are simply leeches on the backs of their own people. Just like in the slave days in Africa, they sold their own people out for profit. They do the same now, but keep them in chains and slowly drain each generation of their talent.

There are black American Hero's in this world such as Temar above. I prefer to think of him as a great American.

Then there are savages like the men above. Ignorant shitheads filled with hate. This is why good Americans should stay armed and proficient with those arms.

The same goes for this witch. Evil or insane, either way you hardly hear about it on the national news. She has worn out her right to live. Burn her to death with a blow torch.

No riots ensued when Roderick killed a white 17 year old.

Democratic economics does not work. Detroit is another prime example and take a guess at what race ran it into the ground?

The face of a consummate liar...It is not about skin color or politics, but the failure to lead the greatest nation on the earth.

Until American leadership, individuals and businesses eliminate the double standards we have in life, we will continue to destroy ourselves from within.

Remember Benghazi: A thought reference combat mindset

If you surrender, you could be on the wrong end of a cattle prod. If they come, armed or unarmed, shoot them all. Die in a pile of brass swinging a hatchet and make them earn the day. Most will not want to play. Make the ones that do pay dearly and mark them deep so we may hunt them down one day and finish the job...

It is amazing that everyone outside our country can see it, but our liberals and Democrats are blind to it. They are what they are, a food source should they cause our country to fall.

You will have a slot in the course when I receive payment for the class. In the case of an agency, when they officially request an invoice. I have had too many individuals not show up lately and I intend to put a stop to it.

I would prefer you send a check as the credit card costs for processing are substantial.
