INFORMATION LETTER/UPDATE:

MONTHLY INSPIRATION

Americans need to hang tough and weather this liberal storm of BS that has been plaguing our country. It will come to end shortly and conservatives need to remember that when you do not vote, you do not have a say in the system.

MONTHLY PERSPECTIVE:

RADICAL ISLAM

The Definition of Insane Stupidity

Fleeing the failed, third-world shit hole you lived in, only to demand that the country you fled to change their social and economic structure to become like the failed, third-world shit hole you fled from!

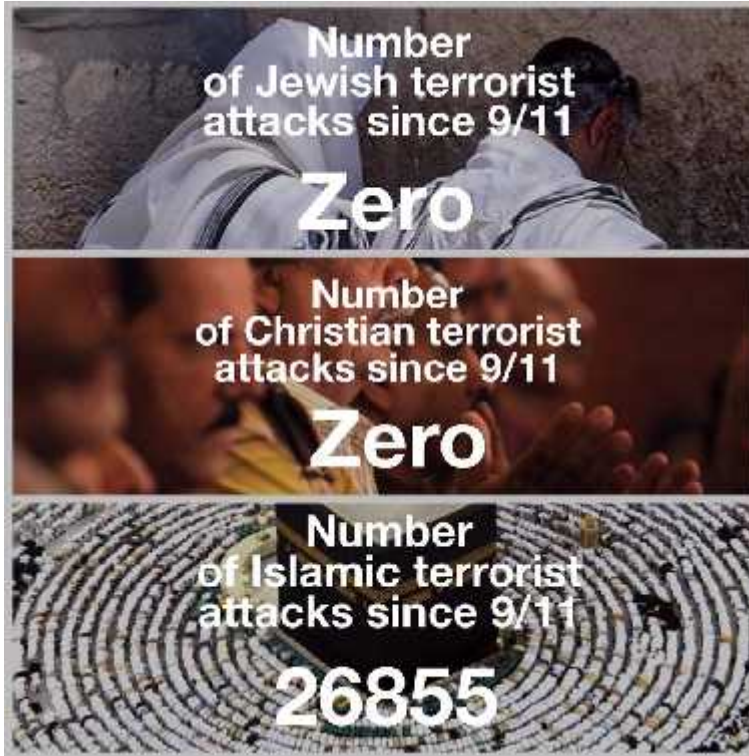

Thank you Mr. Putin. We appreciate your help in taking the trash out and doing what our cowardly American leaders are too afraid to do.

Our liberal society and president fail to understand that someone needs to be the world's policemen. Why? It is simple. Think about the average American city without police and you get the picture.

Further, I have not read the Koran and choose not to. I look at the people of Islam and judge their book by their actions. If it were such a good read, they would be a better people. The only thing Islam has going for them is oil. Without oil, they would be dying societies.

In the end, we can only evolve at a certain speed in this world with the likes of Islam who quietly allows radical Islam to survive. We must fear technology being used against us. Ragheads are smart enough to copy and replicate technology, just look at Iran.

It is only inevitable that Israel first strike Iran. The Grand Mullah Raghead leaders of that country are pushing the fight. It will be in the near future that the head must be cut from the snake.

OUR CURRENT CROP OF POLITICIANS....

We have promoted a generation of ignorance. We have let our place in the world slide. It is time to vote the politicians out, the ones that have led us to this point in time. If we do not, we will spiral into insignificance.

This women should be in prison, but the democrats would not have a presidential candidate. The sad part is how many dumb liberal Americans support her.

U.S. Leadership (or lack of)

As for our president, he is consistent in being an embarrassment to all Americans. Taking up for Muslims and letting Christians be sacrificed. He cannot clean up the city he came from (Chicago).

Now the Democratic Party is down to an evil and corrupt white female and an old nazi-socialist white guy. Talk about choices with all the potential in our country.

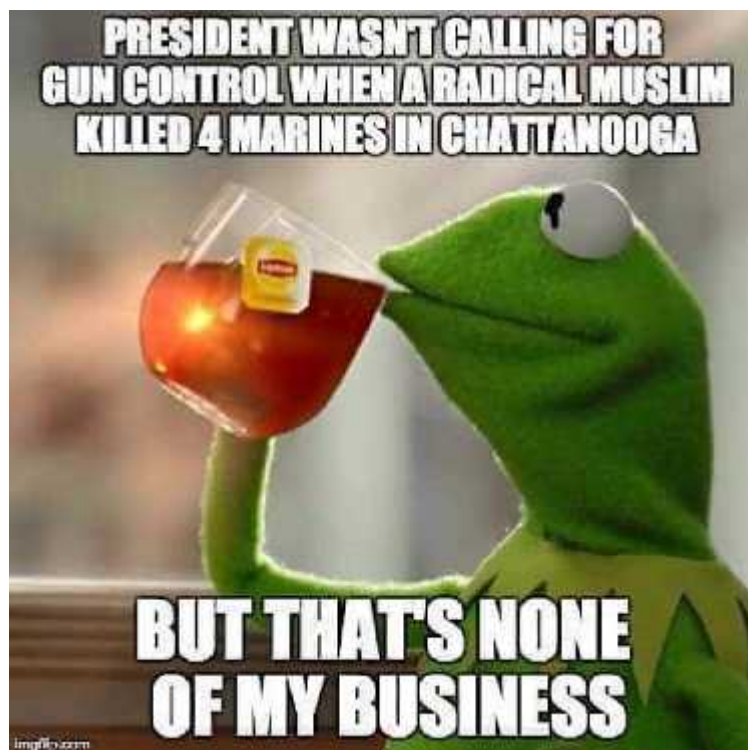

It tells me we have let our values degrade to the point where it has impacted our military and political status in the world. We are leaving our kids a mess, more than a mess. This is a very dangerous situation. They may not have the wisdom to fix it as we have not prepared them properly. We have failed to teach them a work and life ethic. They view life as TV and reality shows instead of what it is.

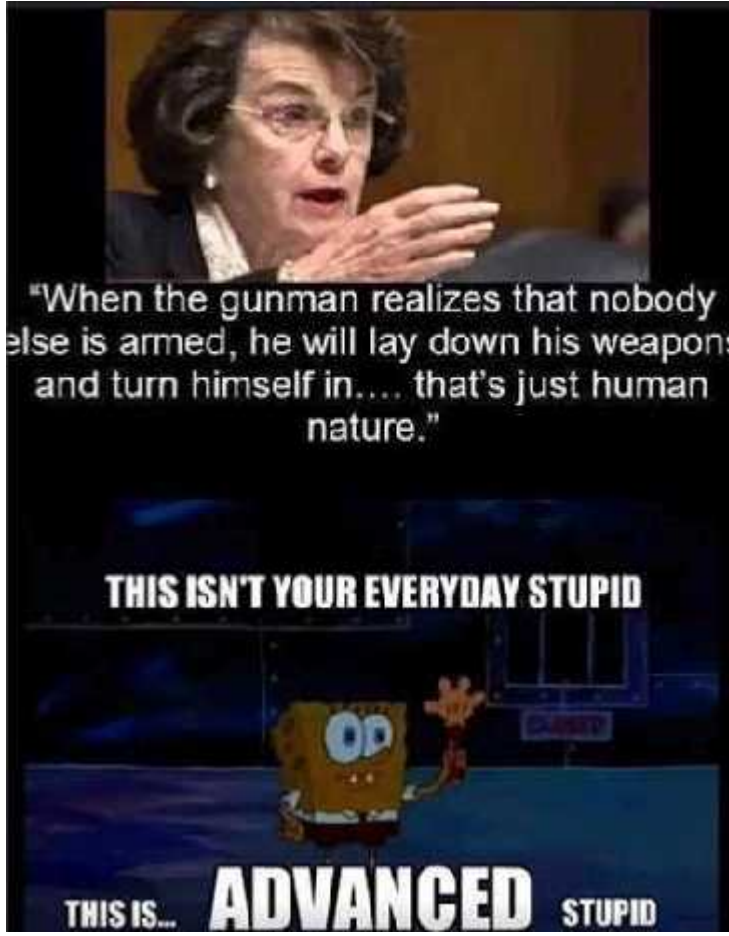

Because he is a liberal Muslim Christian hating man....

2nd AMENDMENT

Obama: We need more gun control!

Me: Yes, lets just disarm more people, because the shooting was already on a gun-free zone, gun control always works, just look at Chicago!

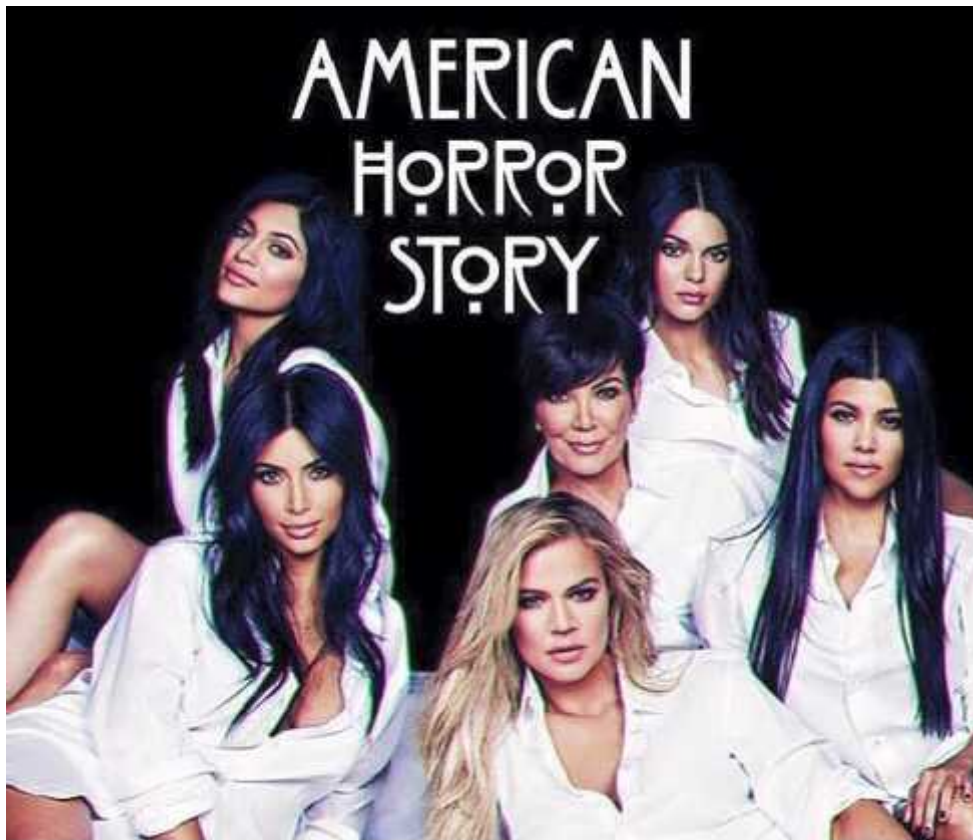

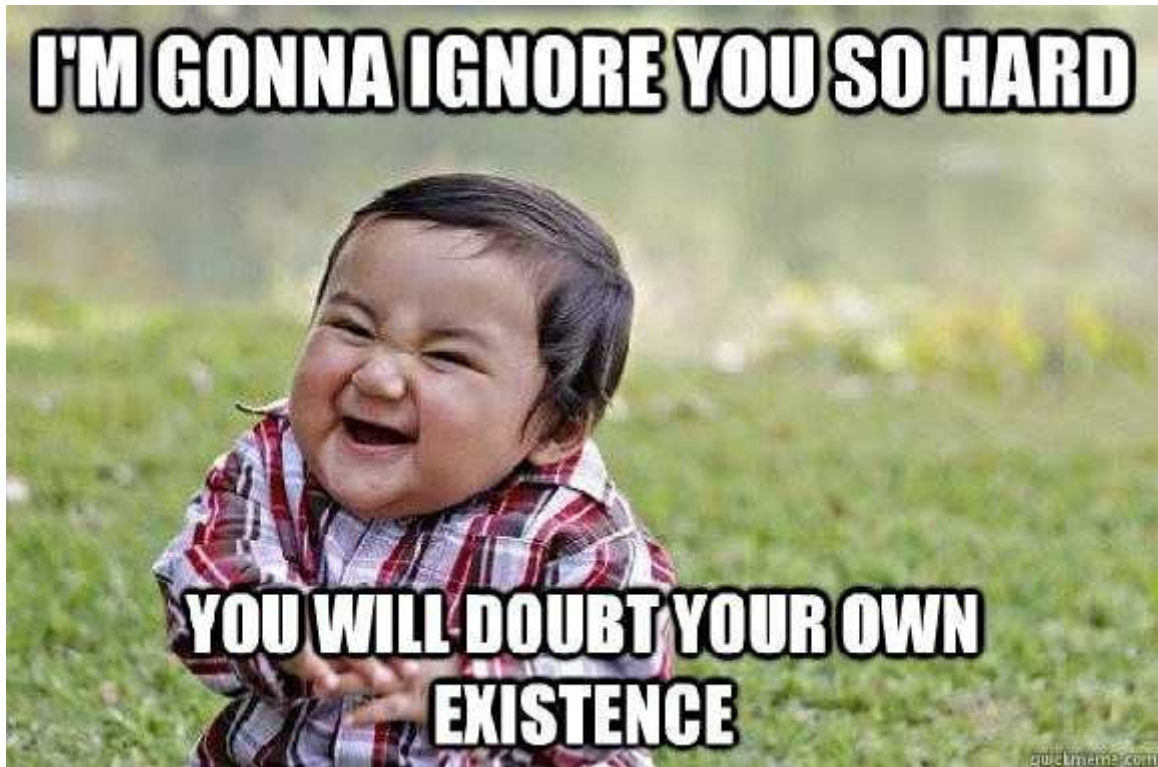

JOIN THE NRA.....and help shape their future and ours.
