INFORMATION LETTER/UPDATE:

WELCOME TO THE NEW YEAR

With the volume of “toxic media” we are exposed to, we must learn to filter out the BS and put the information into a realistic meaningful context. If we don’t this, it has tendency to mentally get us down. As we crawl into the New Year, I try and look at things in a positive light and a realistic manner.

As for the media, they are much to blame for the current mindset and conditions of our country. They are more like the Nazi propaganda ministry under Joseph Goebbels than an independent news profession. They have made the mistake of choosing sides and they chose poorly.

Many of our current politicians are professional ass-clowns that need to be voted out of office. Further, term limits imposed. With that, don’t believe all the polls the media puts out. They have an agenda and they use propaganda to sway the populace into not voting or voting for their candidates, making you think it is a lost cause.

Keep up the faith. With all that is bad, much is still good.

First, understand that you are not the minority, especially those reading this letter. There are many like-minded conservative individuals out there. Some overt, some quiet and reserved. What I do know is that we have in our country is a nation chocked full of combat vets. As many as I have seen in my lifetime. They are mostly conservative.

Next, our current military is conservative despite what the current leadership does in putting homosexuals with no service experience in charge and then making women equal in combat arms despite two physical fitness standards. It is meaningless bullshit. When you can do what I do, you can go where I go...

As for the men and women of Law Enforcement, they protect the inside of our country and have been assaulted by our liberal government. They protect and serve despite being covertly harassed by the media and the Justice Department.

A byproduct of all this ill will during Obama's tenure is that he has been the best gun selling president in our history. There are way more guns in the hands of the American people than the military and police combined. Probably more than all the countries in the world combined.

That in itself is power. A conservative nation of combat vets, police and military. I see it as a positive.

In the end I would urge you to keep the faith, stay in shape, train and stay vigilant.

MONTHLY INSPIRATION

December 29, 2015

Page 4

Welcome to 2016. It will probably be the most challenging and dangerous year of our lives. I am not pessimistic, just realistic.

The current U.S. President is unfit for any type of leadership role. He is total embodiment of what I consider wrong with liberals. Liberals are lazy shit-talking Americans that have never served our country in any capacity such as military, law enforcement, fire, etc. They are takers and complainers. They shout the system is broken but have never been part of the system. They say things are not good enough, even though they are sub-standard Americans who do not contribute to the betterment of our country.

They are backed by a corrupt and borderline traitorous media at both national and local level. The local level media that supports this corruption is just as complicit by not doing their job and exposing the corruption.

The American President has a year to try and make the anti-American changes he so desperately wants. He has divided our country, demonized law enforcement and praised Allah. He has supported terrorism by not calling it by its true name and he has allowed it to spread in the world.

He has allowed terrorists to enter, plan, prepare and attack Americans from within our own borders.

We as Americans must be prepared to weather the coming storm and we will come out stronger. This adversity that is coming will only make the faithful stronger and the weak will fall away.

MONTHLY PERSPECTIVE:

MEDIA BIAS

Our institutionalized media has become the enemy of the people. They have an agenda, a liberal one at that. They attack issues that are of no consequence while they let massive issues of corruption and incompetence by the Democratic Party slide by without a word.

I am amazed that democrats only offer the choice of two losers for president. One an aging socialist and the other a corrupt politician under criminal investigation. Yet, the media gives them a pass and little or no inspection. Corrupt and criminal is what our media have become.

SAN BERNADINO

Rag heads will be rag heads. Guess what California, as many people get killed every weekend in Chicago as did your “incident” and no one in the Democratic Party gives two-shits. You let those people in and you want to give them a hug and they killed a bunch of you, go figure.

Typically, when at war, a country doesn't invite the enemy to live with them”

2nd AMENDMENT

This Is Why Our Children Need To Be Taught The Real History Of The World, Not The Politically Correct Version. Otherwise This Could Happen Again

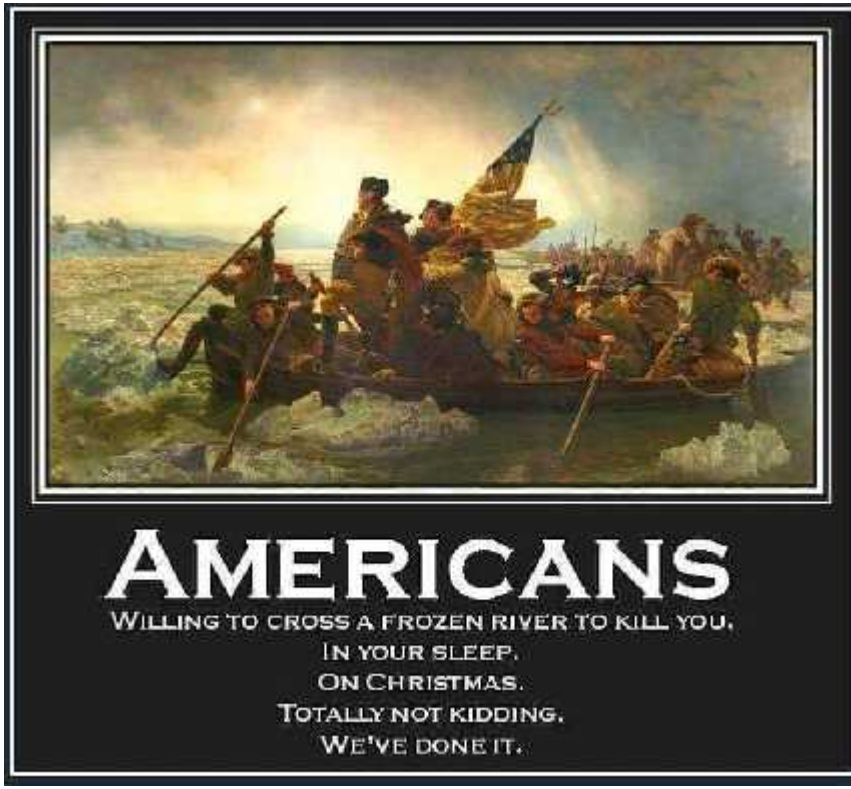

If Only The Government Has Guns, It'll Be Okay. Isn't That Right?

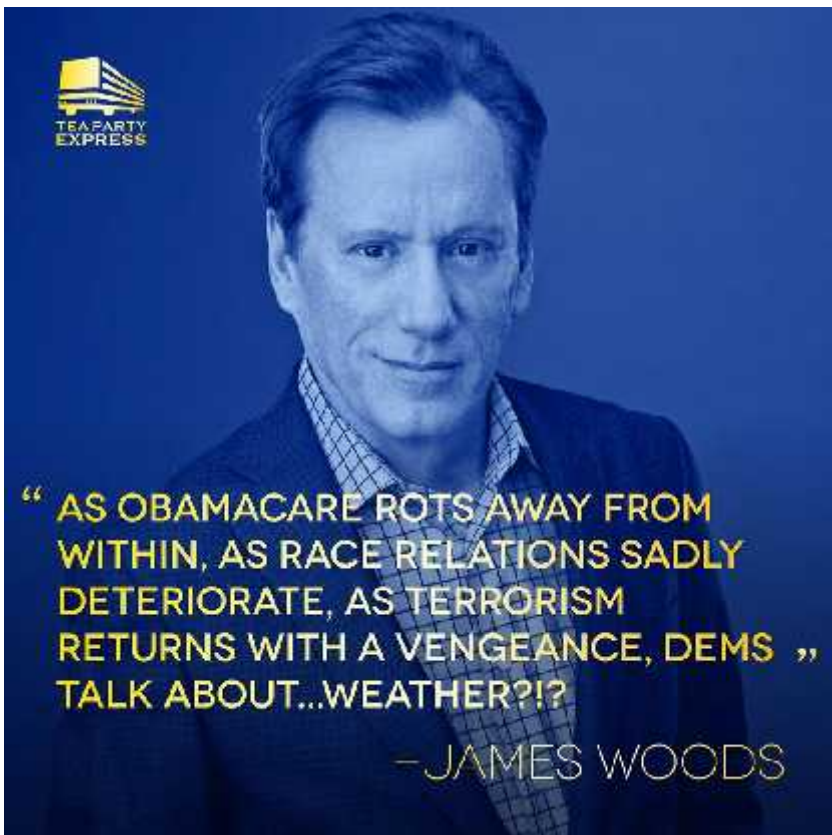

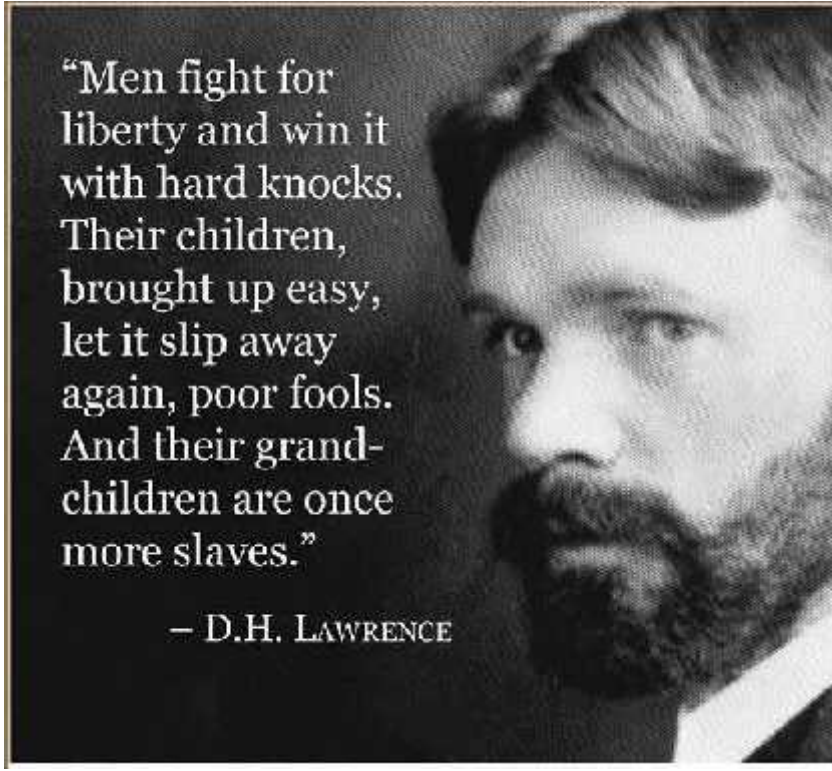

JOIN THE NRA.....and help shape their future and ours.

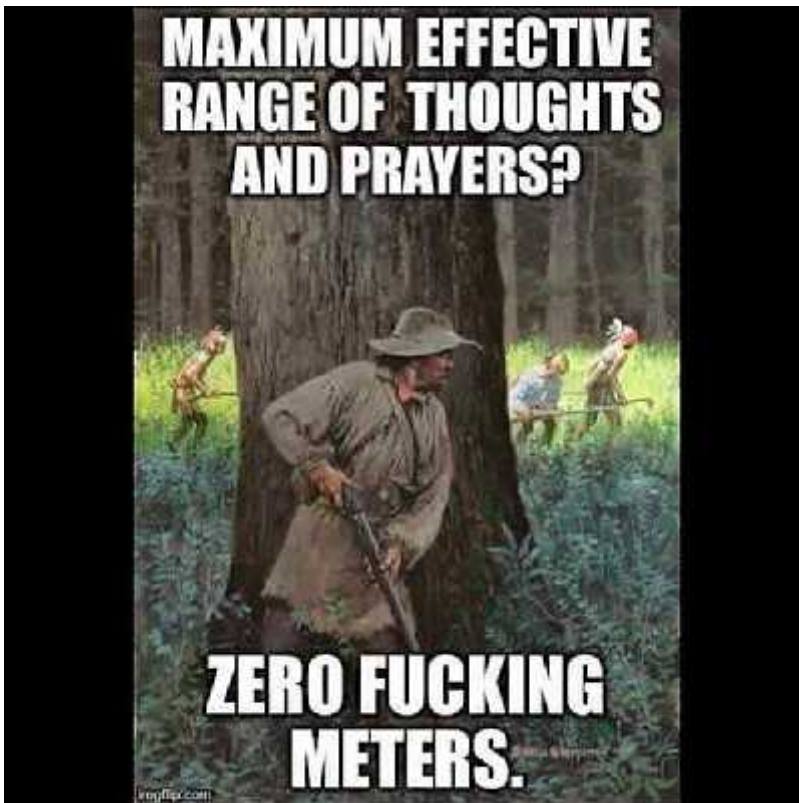

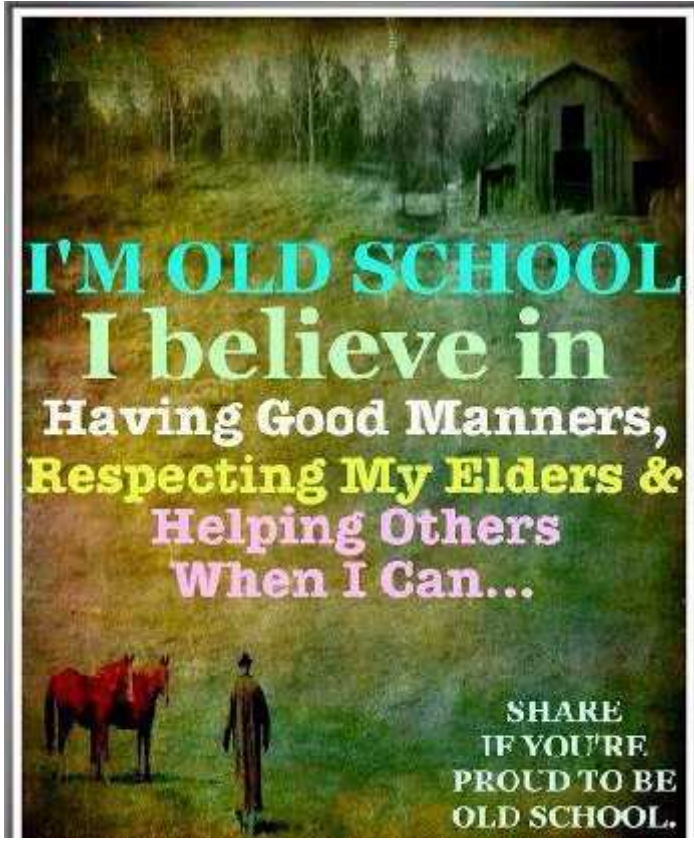

MOTIVATION

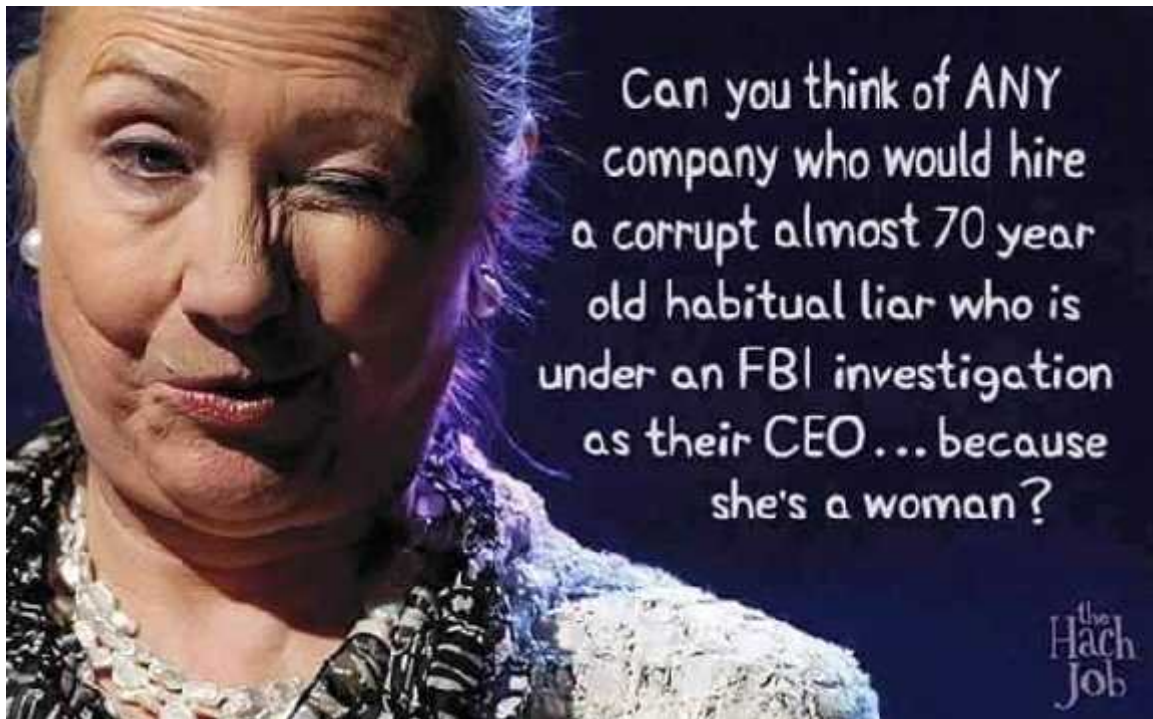

How do you
circumcise a
Muslim?

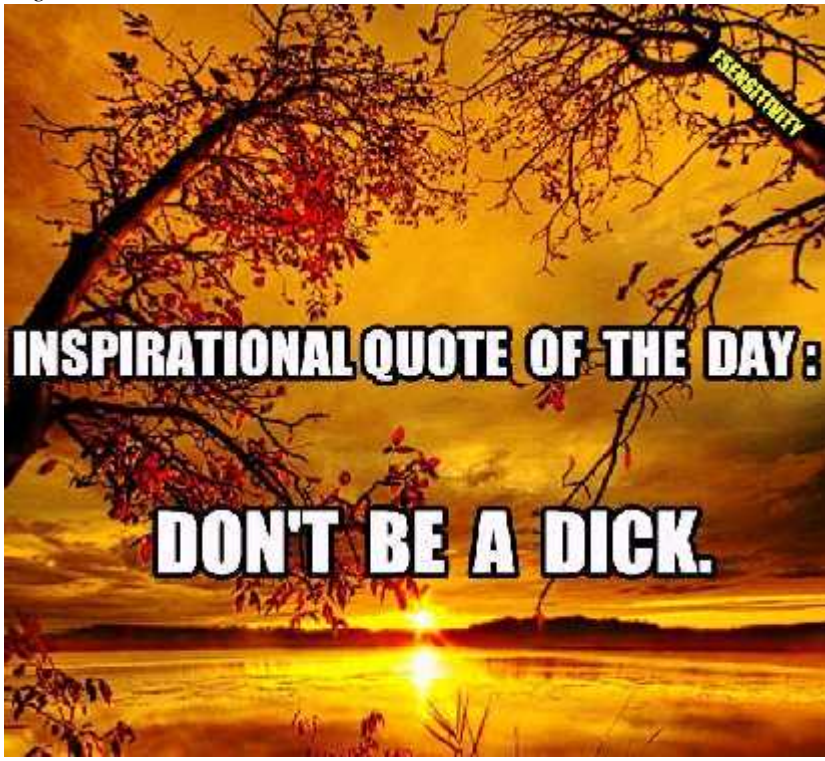

Kick a Democrat in the chin.

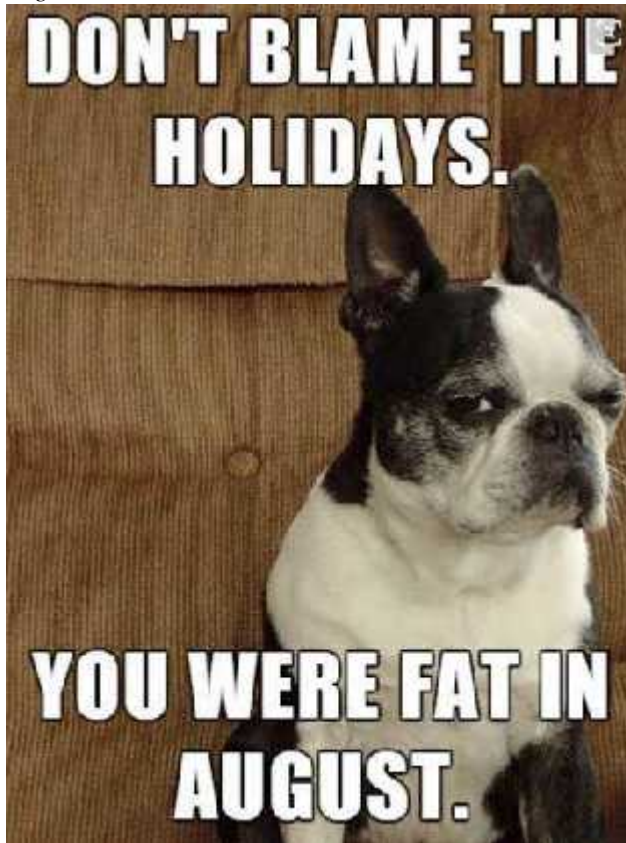

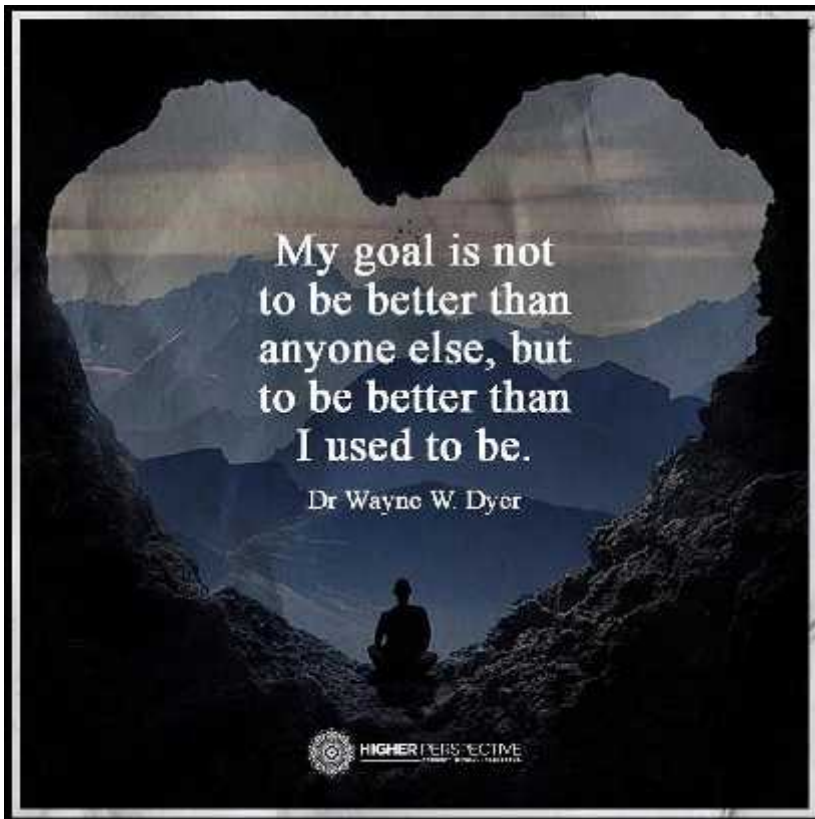

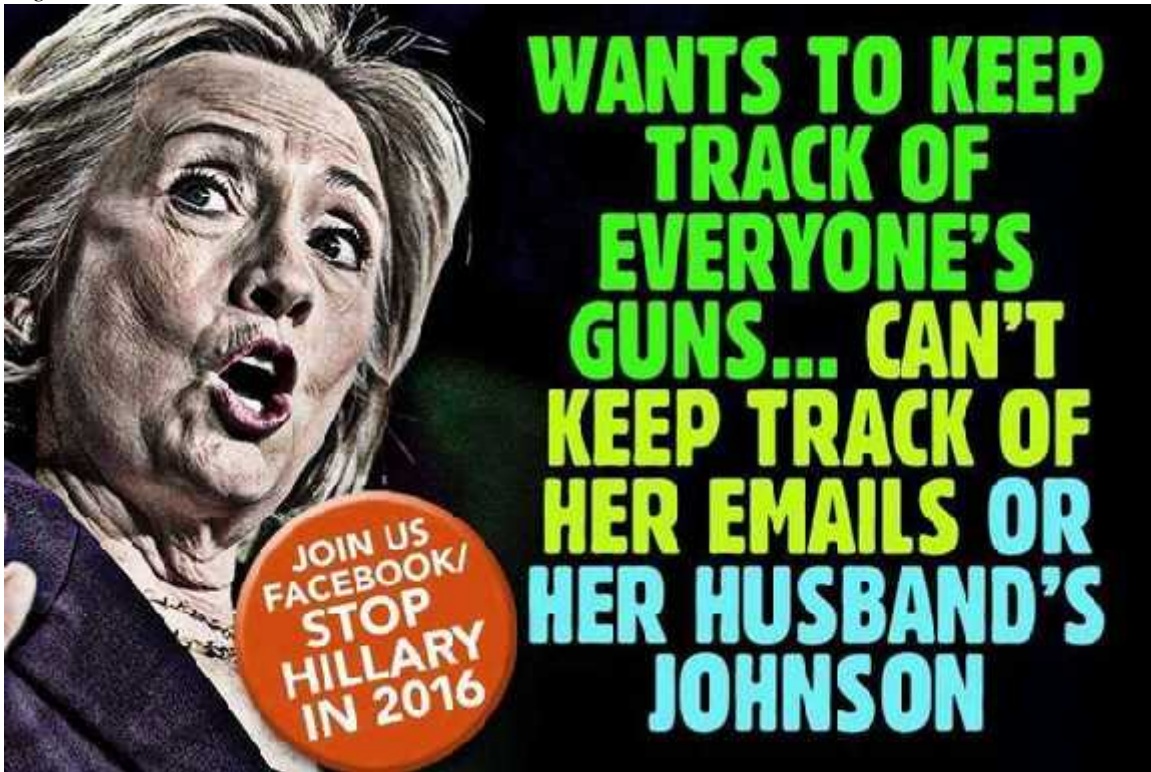

ON A LIGHTER NOTE:

Everyone makes mistakes
in life, but that doesn't mean
they have to pay for them
the rest of their life.
sometimes good people make
bad choices, It doesn't mean
they are bad.
It means they are human.

Can track a criminal,
can detect small amounts of
drugs, will disarm a armed
subject without any
command, can detect
cancer in humans, will
protect property,
can learn over 104 voice
commands.

Poops in a box.

TRAINING NOTES

See new article on ammo...

I am looking forward to adding a **“Practical Hunter”** class to the schedule this year. While I will continue to offer the “Long Range Hunter” class, the Practical Hunter will focus on applying your shooting skills in a field environment. I will have over 10 different shooting positions set up for the course with ranges from 7 to 500 yards. We will work on you making the shot from prone, kneeling, standing, sitting, shooting sticks, supported and other positions. My plan is to offer the first one on 2-3 April, 2016.

RANGE UPDATE:
