The Democratic Media

I have watched the media continue to attack. They are similar to an undisciplined teenager with a loaded gun and no clue how to safely handle it.

They have chosen sides in politics and the American people have chosen sides. Two opposite sides I might add. The media has proven to be lying, manipulating and contemptible. I am at a loss on how this is going to play out.

If they get among demonstrators and are on the wrong side of the police, they should be arrested and their equipment confiscated. They promote unrest and encourage democratic sponsored terrorism. Treat them as part of the problem and put them in jail.

Transgenders

I just read our local paper about a transgender female that wants to wrestle and compete with wrestlers. Shehe has issues. Our paper thought this is an important issue. They are part of the problem.

Do a DNA test and that is what gender you get to wrestle. If the Shehe is taking drugs to help induce manhood, that is another issue. Also, I am not sure about the plumbing, but I would suspect it would be too delicate for some time to put into the arena.

This is what our media democrats push off for news and important social, political and international news. They have become an epic failure....

1933, Berlin, Nazi Germany. In place of debate, fascists set fire to books to ensure that opposing viewpoints are censored.

2017, UC Berkeley. In place of debate, "anti-fascists" set fires and riot to ensure that opposing viewpoints are censored.

SO INSTEAD OF LETTING MILO YIANNPOULOS GIVE A SPEECH TO 200 COLLEGE KIDS, THE LEFT WING THUGS AT UC BERKELEY GAVE HIM A NATIONAL PLATFORM ON EVERY MAJOR NEWS CHANNEL, WHILE DESTROYING THEIR OWN COLLEGE..... PRICELESS.

Reference immigration, I am all about legal immigration. If you come to this country, you contribute in positive ways, both financially, intellectually and culturally. You also contribute to the system before you take from it. You pay taxes. If you come and have babies and cannot afford the first one, it is delivered for free. But, they also tie your tubes so you cannot have anymore.

It might be a bit harsh, but some groups of people will come here, spit out kids and out breed us and we will pay for it.

HOLLYWOOD

If the Hollywood so called elite, wish to inject themselves into American politics, then we as good Americans need to impact their cash flow.

-) Don't see their movies

-) Don't stream/download any of their work.
